Sonny Brant

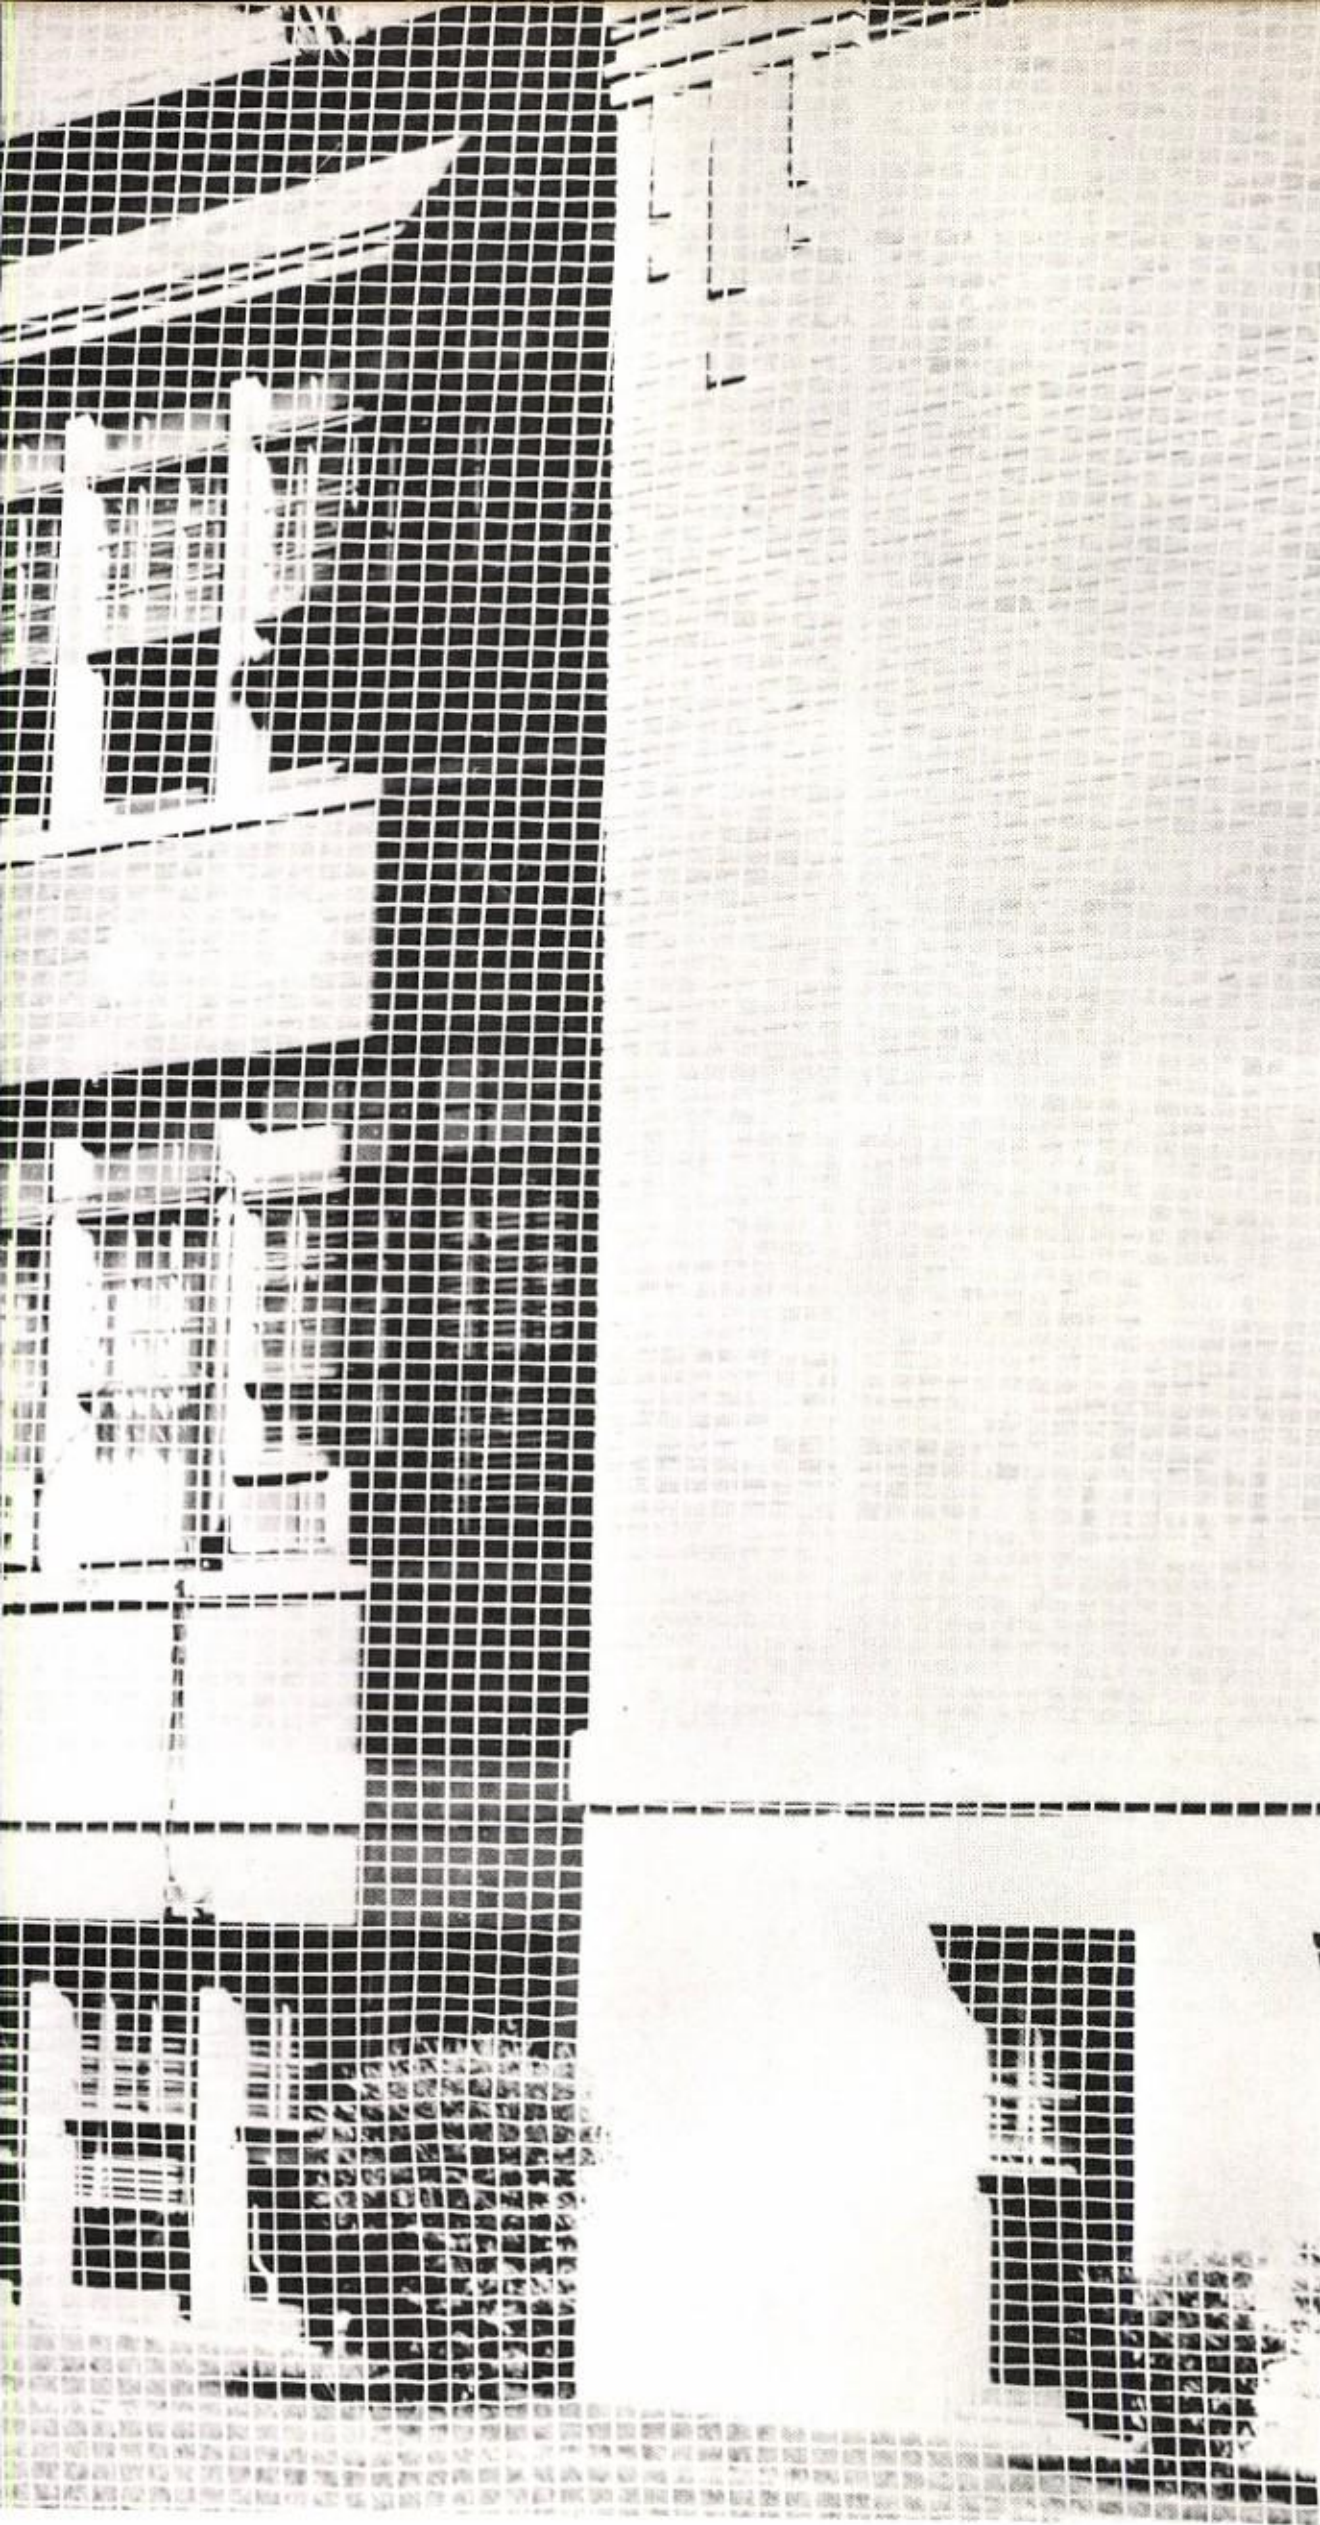

Sonny -

I guess when I look back over my years at B.H.S. I'll remember you as well as any person I know. It's been so much fun; we're close so many things together I couldn't even begin to count them. It's been so much fun being in school with you these last few years. Best of luck and God bless you,
Stan A.

Sonny,
I hope that you will always have a whole lot of success and happiness. I have had so much fun knowing and being with you this year. Always feel if you have problems, feel free to come to me. Always remember Band and every thing.
Best wishes to a real nice person.

THE SEASON AT A GLANCE:

The Bonham Purple Warriors began the 1967 season three weeks before the school semester convened, and after two practice games, they officially opened their schedule with a 9-7 win over the Corsicana Tigers. In the other two non-district games, the Warriors defeated the Kilgore Bulldogs in a hard fought battle at home, and the following week were severely beaten by an inspired Plano team. After a week of rest Bonham opened their district lineup with a tough 27-14 loss to eventual champs, the McKinney Lions. On dedication night of the new field, Bonham showed the fans what they wanted with a stomping 21-0 victory over the Gainesville Leopards and then the following week spoiled Greenville's homecoming by defeating them 9-0. The Lewisville Farmers proved to be better than their press clippings indicated as the fighting warriors did barely manage to salvage a 6-0 victory in the waning minutes of the game. The Wildcats of Lake Highlands were rude hosts as they handed the Purple Tribe a questionable 25-22 defeat in almost freezing weather. The last two home games were victories as the Warriors trounced the Mt. Pleasant Tigers 32-0 and then came back to romp Sulphur Springs 22-6. The complete season was a winning one in nearly every aspect as the Warriors started from scratch and gained team discipline and closeness which had been lacking for several years.

1968 WARRIOR CAGERS

PRE-DISTRICT PLAY -

If anyone had asked what the newest word in Bonhi athletics was this year, he probably would have been told basketball! Having their best season since gaining 6-AAA status, the Purple Warriors proved what had so often been said of them in other sports: that they went out victorious or at least fighting at the blowing of the final whistle.

Under the direction of new head coach, Bobby Butler, and behind the consistent, incredible shooting of center David Shaw, the Warriors finished their non-district season with a 6-5 record. Five more reasons for Bonham's success this year were the returning lettermen from last season: Dan Christian, Don Christian, Buddy Dodson, Jimmie Baccus, and Marc Clayton. Also playing good ball when needed were Tony Easley, Keith Hembree, Billy Cockerham, and Lonnie Bennett.

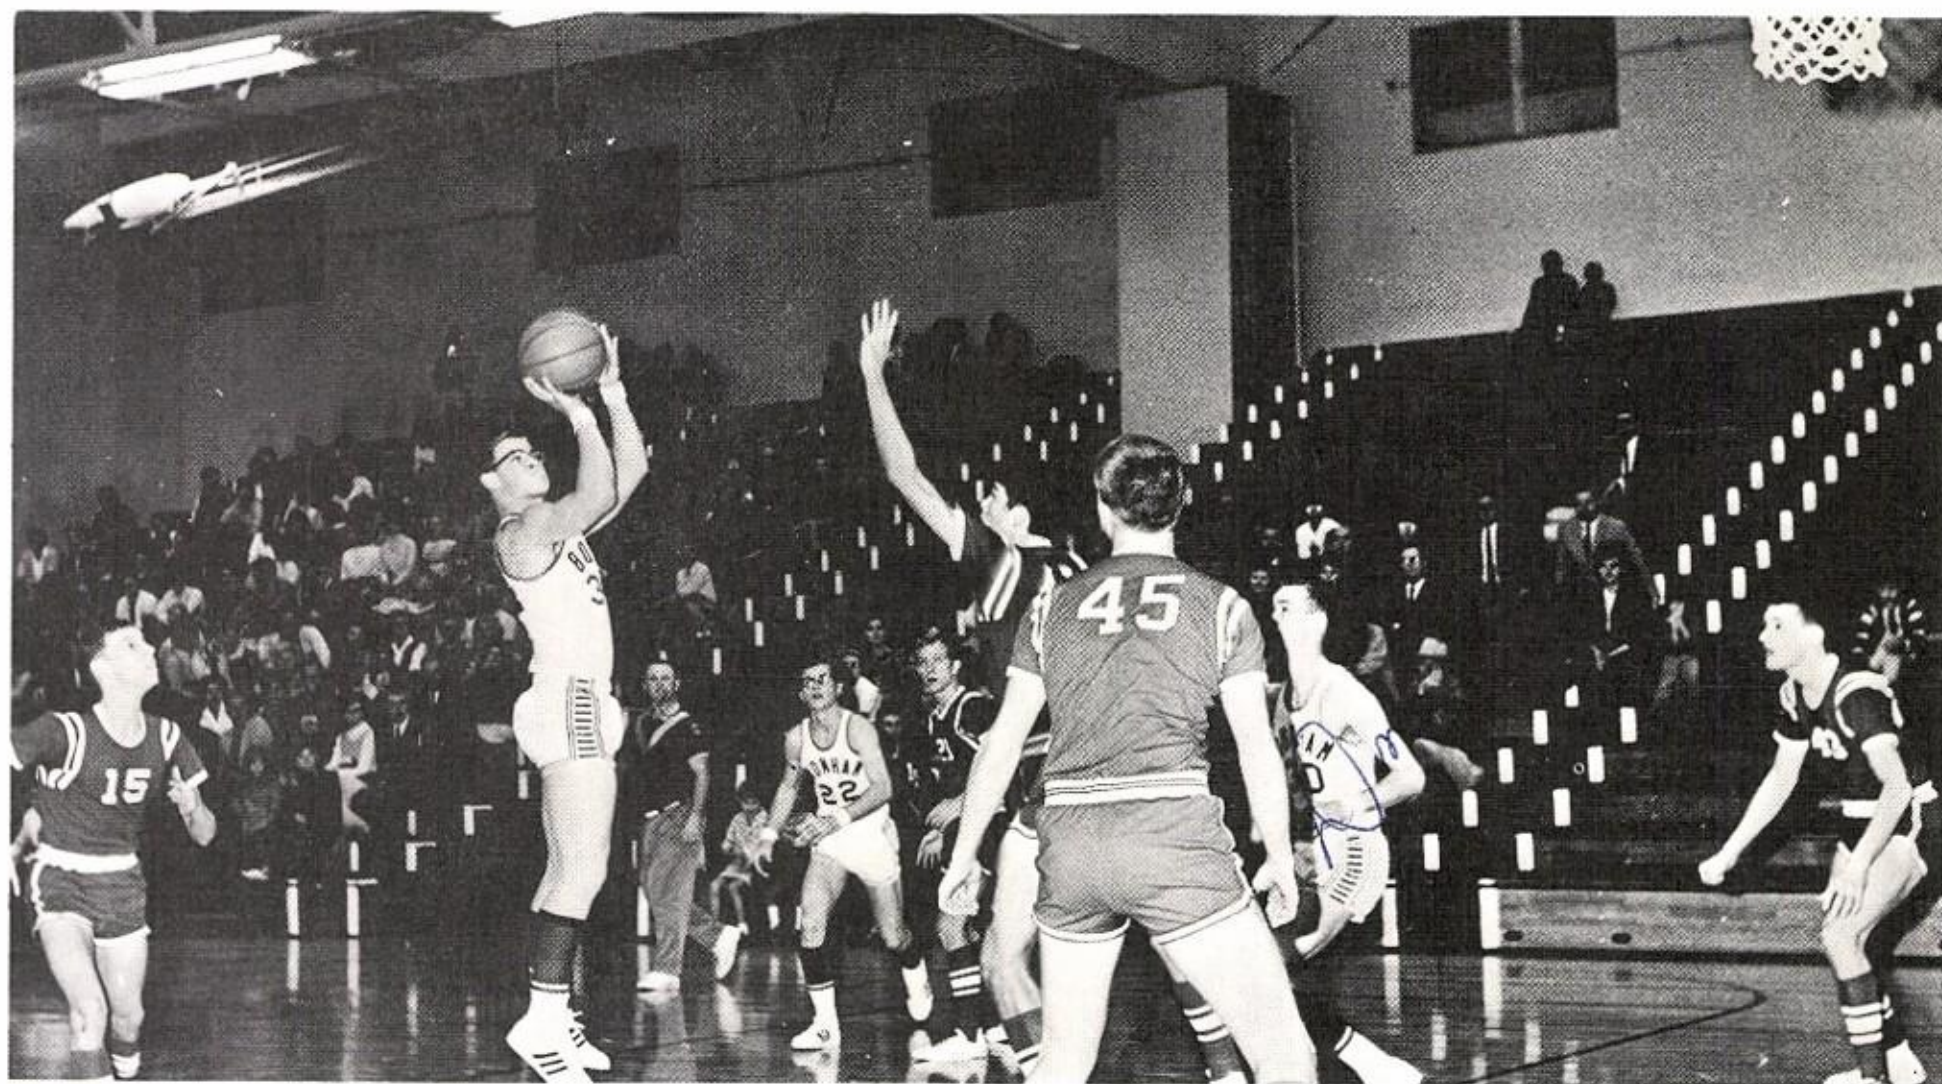

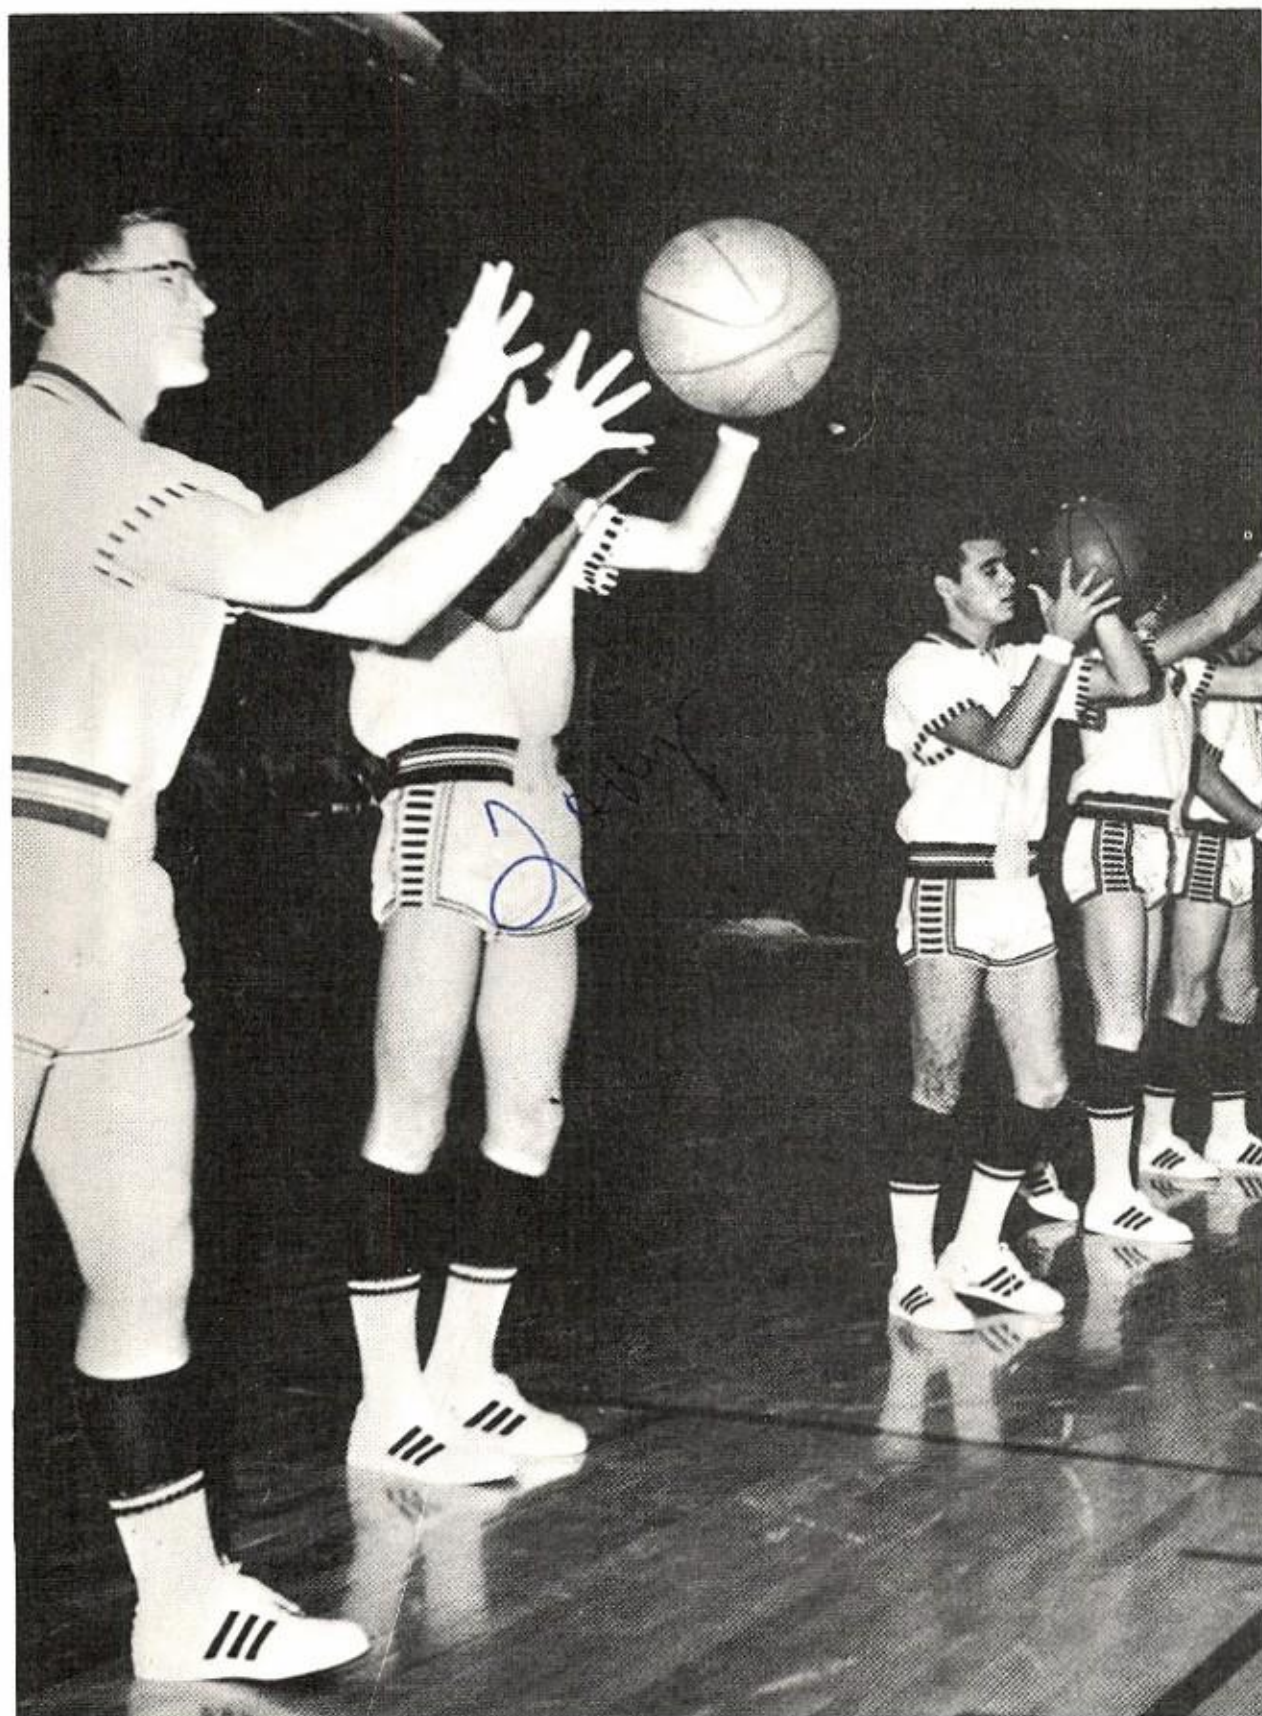

DISTRICT RACE -

With a winning season going for them, the Warriors entered their district race and pulled some pretty big upsets. Probably the most heart-breaking loss was suffered at the hands of arch-rival McKinney by a score of 72-71. Nevertheless, the Tribe enjoyed their new success and backing from Bonhi's student body. Finishing the district race with an 8-8 record, the 1968 Bonham Warrior basketball team established a goal to be broken by future Bonhi teams.

The editors and those that call themselves "the staff" wish to extend to you, the students of Bonham High, our gratitude for the great privilege of serving our school by the editing of this book. We also wish to thank James Griffitt, our late sponsor, for his many dedicated hours and floodlights. Without his knowledge of censorship and without Henington Publishing Company's printing presses, the success of this book could not have been possible.

Sonny,
What would we cheerleaders have done without you this year? You came up with more good ideas! Oh well, you'll be here next year and you'd better have some more. You're a great person and I hope I'll always have your friendship. Best Wishes - Patte
